SUBJECT: New Food Service Sanitation Section Staff

The Food Service Sanitation Section is pleased to welcome two new food safety professionals.

The first is Jasmine Lincicome. Jasmine joined MDA in 1989 and worked as a field inspector until 1999. Most recently, Jasmine has worked in the MDA Lansing office in the areas of retail food policy development and training. Jasmine has a strong background in food safety, training, processing, retail food law and HACCP. Jasmine has a degree in Microbiology and Zoology and worked in diagnostic microbiology and pshychopharmacological research prior to her work at MDA. Jasmine can reached at: 517-335-3238.

The second is Sandra Walker. Sandra began working for United States Department of Agriculture in 1980 as a commodity grader, joined Michigan Department of Public Health in 1989, working in the virology laboratory and joined MDA in 1995, working as a field inspector and regional plan review specialist. Sandra has a degree in Animal Science. Sandra can be reached at: 517-241-0932.

Within the next few months you will receive updated information regarding staff assignments for accreditation reviews, consultation areas and specialty assistance (plan review, etc.).

I hope you get an opportunity to meet both Jasmine and Sandra in the near future.
