**SUBJECT: Adjustments in Food Service License Fees**

Section 3119 (5) of the Michigan Food Law 2000 states "The department shall adjust on an annual basis the fees prescribed by subsection (1) and (2), as adjusted after November 8, 2000, by an amount determined by the state treasurer to reflect the cumulative annual percentage change in the Detroit consumer price index but not to exceed 5%". Adjustments are to be rounded to the nearest dollar. The absolute value is carried over and used to calculate the next adjustment.

On July 27, 2006, the state treasurer advised that the change in the Detroit consumer price index between June 2005 and June 2006 is 3.8%. The following state fees will apply for food service licenses issued for the 2007/2008 licensing period. This information is being provided to you at this time to help plan for the increase.

**Adjustments in Additional State Fees**
