SUBJECT: Food Service Program Updates

The Food Service Program is charged with providing consultation, evaluation, and training services to Michigan's Local Health departments that are delegated to conduct food service program activities. Following recent staff changes, we have reorganized our consultation areas. Please see the attached updated list of consultation and specialty areas covered by the food service program.

<u>Specialty Area</u>	<u>Responsible Staff</u>
Risk Factor Reduction Lead staff person on program's risk factor reduction and FDA Voluntary Standards activities.	Barbara Coy
Evaluation Lead staff person for LHD accreditation and standardization activities.	Sean Dunleavy
Plan Review Lead staff person for plan review, mobile food and STFU activities.	Becky Krzyzanowski
Specialty Food Lead staff person for activities related to temporary foods, vending machines, and retail operations (i.e. processing, packaging, labeling, meat processing, etc.).	Jasmine Lincicome

For questions relating to these specific areas, please contact the person listed. For all other questions, please contact your assigned area consultant. A map of these consultative areas is attached.
